Honest Reporting | <https://honestreporting.com>

"HonestReporting analyzes stories, articles, opinion pieces and images that appear in the media's coverage of Israel, exposing and responding to inaccuracies or bias."

Israel21c | www.israel21c.org

"ISRAEL21c breaks from the confines of the media's traditional depiction of Israel, and widens the lens on who Israelis are and what inspires, motivates, and challenges them. We steer clear of the narrow frame of conflict, and serve as a unifying platform that creates space to educate, inform, and initiate meaningful conversations."

Israel from the Inside with Daniel Gordis | <https://danielgordis.substack.com>

"Israel from the Inside is meant for people who see Israel not as either hopelessly flawed or beyond critique, but rather, as the stage on which the Jewish people is reimagining itself and its future. If you're curious about understanding Israel and Israelis, without reducing it to the toxic politics and histrionics, Israel from the Inside is for you."

StandWithUs | www.standwithus.com

"Our goal is to counter antisemitism, educate the public about Israel, empower others to educate their communities, and make it possible to have reasonable, informed conversations about Israel's history, policies, and humanitarian aid on campuses and in communities around the world."

Tablet | www.tabletmag.com

"Tablet is a Jewish magazine about the world." Includes "stories on politics, global affairs, Jewish communal life, religion and religious communities (all of them), food, science..."

"Call me Back" with Dan Senor Podcast | [subscribe via Apple or Spotify](#)

"Featuring guests such as Karl Rove, Maggie Haberman, and Haviv Rettig Gur, Dan's podcast examines how our past history can influence and shape our current decade."
